First meeting of the 1960 PCUG at our new location at the Cypressdale Club House

4815 Elmbrook Dr.

Spring, Tx. 77388

A brand new meeting room for the 1960 PCUG is quite adequate for the first General Meeting and Digital Photography SIG held last Thursday, January 5, 2017. Members reacted positively to the new venue. The club house has been completely remodeled and is just the right-sized facility for our club meetings. The building features a nice meeting area, modern kitchen, bathrooms, lounge area, storage room, and Wi Fi at a convenient location less than one block east of Kuykendahl, between Louetta and Cypresswoods Dr. There is a light at Elmbrook just north of Cypresswoods, at the entrance to the Cypressdale subdivision. The clubhouse is the first building on your right (south side of Elmbrook).

No stairs, and the parking lot is adjacent to the building. So, punch in the address in your GPS and head out to our next meeting, which is the Technology SIG, lead by Sam Sanderson this Tuesday, January 9th at 7 p.m. The Genealogy SIG with leader, Lee Smith, is scheduled for Thursday, January 26th at 7 p.m.

Hope to see you there,

1960 PCUG Board
