General Meeting and Digital Photography SIG

Thursday, July 6th, Jim Sandham, Leader

4815 Elmbrook Dr., Spring in Cypressdale subdivision Clubhouse

6:30 PM:

- Membership sign-in, pay dues, and greet visitors.
- Spend time with other members and share your questions and answers

7:00 PM to 7:15 PM:

- General Meeting Announcements

7:15 PM to 9:00 PM:

- Digital Photography SIG

Don't you just love it when **Kathy Adams Clark** comes to our club to do another presentation? I am always amazed and grateful for her being so willing to come to our little club, even though she is the busiest professional photographer I know! In years past she had delighted us with presentations entitled "Morocco: A Photographer's Delight", "Photographing the Night Sky", and last year's "Photographing Butterflies."

On July 6th she's going to do a presentation entitled "**Travel Photography Tips**", which is very timely since we're in the middle of summer vacation time already. When Kathy isn't teaching classes, doing workshops, or writing one of her wonderful books, she's traveling -- a lot! Come to this meeting and learn a whole bunch of useful information before YOUR next photography trip. I hope to see you **Thur. July 6th at 7:00 PM.**

Jim Sandham

Technology SIG

Tuesday, July 11, 7-9 p.m., Sam Sanderson, Leader

At the Technology SIG we have discussions on a wide variety of subjects pertaining to all technology new and old and of course many topics surrounding all versions of the Microsoft Windows operating systems. The primary subject matter will be driven by the specific questions or request from the attendees.

No subject is off limits; we cover it all. Come and join us. The topics are always interesting. It is amazing all of the technology know-how that exists within our club members.

This SIG is becoming more popular with members as Sam leads the group to solve problems, learn current information, answer questions, and shares the latest

technology. You will be amazed at how much fun we have at this meeting. Attend the SIG and discover a vast amount of new information.

Jim Sandham, our current Digital Photography SIG Leader, will be moving at the end of the year and will be greatly missed. Jim has carried many responsibilities in making our club a success. Now we are planning ahead to select a member or members to step into his role of arranging for speakers, leading the SIG, and planning field trips. These duties could be shared by several members. Please consider filling one or several of these positions. Jim is willing to help with transitioning into any one of these roles. Contact him at jsandham77@gmail.com.
