### 7:15 PM to 9:00 PM:

Digital Photography SIG

**Richard Houghton,** from The Woodlands Camera Club, was first scheduled to give his presentation "**Introduction to Google NIK Tool Collection**" last May, but he needed to postpone it due to illness. Well, he's all better now, and he's going to explain the full family of NIK post-processing software tools to us.

### What are the NIK Tools?

They are a collection of seven very clever post-processing apps that will greatly expand your capabilities. The full set of tools used to cost several hundred dollars, but when Google bought NIK early last year it made the entire set of tools FREE to download! You can download them FOR FREE

here: <a href="https://www.google.com/nikcollection/">https://www.google.com/nikcollection/</a>

## How do I learn to use the tools?

Google has also just made a set of four training courses on the tools available FOR FREE!

You can download them FOR FREE here: <a href="http://greylearning.com/bundles/nik-collection-bundle">http://greylearning.com/bundles/nik-collection-bundle</a>

Feel free to download the tools and start the training before our meeting. I hope to see you all on **Thursday, March 2nd at 7:00 pm** at our <u>new meeting location</u>. If you haven't been to the Cypressdale Club House yet, you will be very pleasantly surprised at how comfortable it is. See you then!

Please be in the parking lot ready to board the bus around **7:30 am**. If you arrive after **8:00 am** the bus will be gone already! We need at least ten (10) people on the bus, or we risk having the trip canceled on the spot! The mini-bus holds 20 passengers, and does NOT have wheelchair access.

We should arrive at the park about 9:30 am. After a full three hours to see & do everything, we'll leave for lunch at12:30 pm. At about 2:00 pm we'll head back to Spring, arriving at the CCCC parking lot around 3:30 pm.

When you sign up for any of our field trips, unless you have an emergency or medical reason, PLEASE SHOW UP! All of the other people are counting on you to be there, so let me know ahead of time if you need to cancel for any reason (**Jim's home** phone 281-353-4751, cell phone 281-638-1627).

IMPORTANT: provide me your cell phone number in your e-mail message when you sign up (I'll use it only if you are not on the bus before 8:00 am). I look forward to having you join the group for this interesting and fun trip.

#### **Loss of Donna Loomis**

We received sad news of the passing of our Treasurer, Donna Loomis. Donna was an important member of the Board of the 1960 PCUG and served as Treasurer for the past 3 years, as well as recording secretary for many meetings. Donna had been hospitalized for a month before passing on February 22<sup>nd</sup>. She, and husband, Craig, have been active members for many years. We offer our condolences to Craig and the Loomis family. Donna will surely be missed for her pleasant disposition and many contributions to our organization.

For those of you who would like to send condolences, please contact me, BeaAnn Kelly at: <a href="mailto:beaannkelly@gmail.com">beaannkelly@gmail.com</a>, or call at 281-257-4921.
