7:00 PM to 7:15 PM:

- General Meeting Announcements

7:15 PM to 9:00 PM:

- Digital Photography SIG

Pat & Sylvia Tucker have given us some wonderful presentations in the past few years. Their photography is always thoughtful, beautiful, very well composed, always interesting, and fun! This time around their topic is "**Southern Spain With Two Cameras.**"

I lived in Spain for a couple of years in the mid-1970s (while serving in the U.S. Air Force), so I've seen some of Southern Spain, and I can tell you it is beautiful. Think of the French Riviera, and then move it to southern Spain, now you have it! The Tuckers own at least two cameras, and apparently both of them shoot photos while on location. I can't wait to see what they have to share with us! I hope to see all of you on **Thurs. Oct. 6th at 7:00 PM.**

Technology SIG

Tuesday, October 11, 7-9 p.m., Sam Sanderson, Leader

At the Technology SIG we have discussions on a wide variety of subjects pertaining to all technology new and old and of course many topics surrounding all versions of the Microsoft Windows operating systems. The primary subject matter will be driven by the specific questions or request from the attendees.

No subject is off limits; we cover it all. Come and join us. The topics are always interesting. It is amazing all of the technology know-how that exists within our club members.

This SIG is becoming more popular with members as Sam leads the group to solve problems, learn current information, answer questions, and shares the latest technology. You will be amazed at how much fun we have at this meeting. Attend the SIG and discover a vast amount of new information.

Graphics SIG

Thursday, October 20, 7-9 p.m. Volunteer Leader

Watch for upcoming notices regarding the Graphics SIG. We are always open for volunteers to lead this round table discussion and/or demonstrate or share ideas with the group. If you would like to offer your services please contact David Gustine, President, at: gus1@flash.net.
