MONTHLY GENERAL MEETINGS

General Meetings are held on the first Thursday of each month at 7:00 PM.

Visitors are always welcome!

Meet other members that have computer interests similar to yours. Ask questions during the Q&A session. See the special presentation. Have fun!

PROGRAMS

Our General Meetings feature a guest speaker who presents a demonstration on a selected topic. Recent topics have included spy ware, antivirus, utilities, networking, and new technology in computers and entertainment systems. These meetings also include an open forum where questions concerning system hardware and software are asked and answered.
